

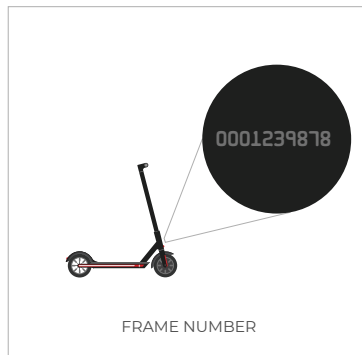

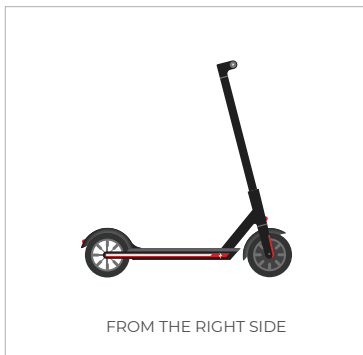

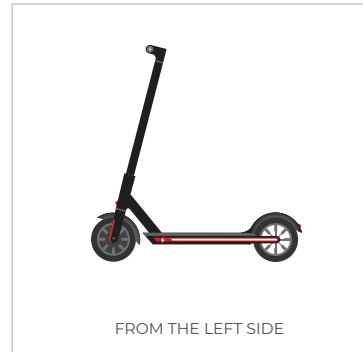

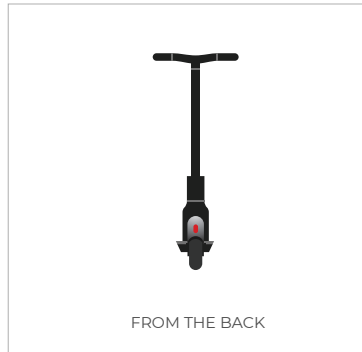

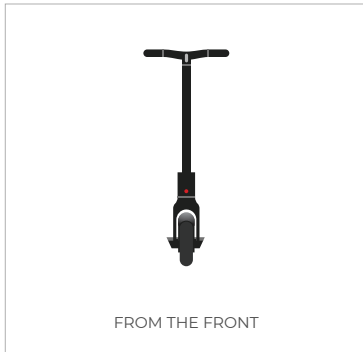

PHOTO INSTRUCTIONS

How to take photos which we need?

Pictures should be taken in good light

Photos must be clear, in good resolution and quality (*at least 768x1024 pixels*)

It must be possible to zoom in to see the details

The vehicle must be free-standing and clearly visible from all sides

The camera must be set to the correct date and time

Photos must be taken on the same day they are sent by e-mail to: info@balcia.lv or to Your representative.

When sending pictures, please indicate the insurance policy number
