

JUNIOR DEVELOPER

RIGA, LATVIA

Balcia Insurance SE is an international company with an experience of 25+ years in the insurance industry.
We do believe there are no limits. We work hard and turn dreams into reality.

POSITION

- Your focus is on developing Balcia internal main System – implementation of new products and changes in existing (also xls and groovy), new fields/blocks, integrations-web services, reminders etc.
- You will write clean and well-tested code and scripts, continuously improve code base, propose improvements of functionality
- You will make technical documentation at Confluence and track your progress within Jira
- You will also be co-working with IT partners and IT teams

WHAT WE EXPECT

- If you possess creativity and analytical skills and like to code,
- if you put passion and energy in everything you do and get satisfaction from it,
- if you are results-driven person and have a mindset that allows you to always think out of the box, then we are on the same page and should talk.

REQUIREMENTS

- 2+ years experience in programming - Java, Java REST/SOAP Web Services
- Knowledge of object-oriented programming, Spring Boot, SQL
- Understanding of HTML, CSS, XML, JSON
- Basic understanding of Docker
- Experience using Oracle DBMS
- Experience with IntelliJ or similar IDE
- Excellent English language skills

WHAT WE OFFER

You will be working from headquarters in Riga city center at a modern office in a friendly, fast-paced and teamwork oriented international culture with high ethics. You will have an opportunity to work also remotely.

No two days are the same, you will have an opportunity to participate in international projects and be part of a growing and professional team. We will provide you with necessary trainings, guidance and onboarding.

Competitive monthly salary range of **1200-1600 EUR** gross (depending on your level of experience and competence), health insurance from the first working day, additional paid days off, discount on Balcia products, gifts on special occasions and much more.
